

Certificate of Analysis

Product Name: BigDye[®] Terminator v3.1 Sequencing Standard Reagents
(Matrix Standard Kit)

Cat #: MSK-100

Lot #: D141212J

Physical Inspection: Tubes are inspected for correct label and lot number, caps are tight with no signs of leakage.

Result: PASS

Use Test: This lot of Dye Set Z Matrix Standard is tested for spectral profile, peak height and raw data pattern on the ABI 3730xl DNA Analyzer.

Result: PASS
